NEW FULL MOON DAY NEWSLETTER

BIBLICAL NEW MOON = THE FULL MOON

"Likewise the people of the land shall worship at the entrance to this gateway before the Heavenly Father on the Sabbaths and the New Moons."

Ezekiel 46:3

(English Biblical Translations ERROR - in Hebrew - *chôdesh* from H2318; means the new moon; by implication a month: - month (-ly), new moon = a beginning of a new month)

THOUGHT OF THE MONTH

DEAR READERS,

WANT TO HEAR A FULL MOON REVELATION?

"Assyria and Babylonia – The twelvefold division of the zodiac was evidently suggested by the occurrence of twelve full moons in successive parts of it in the course of each year. This approximate relation was first systematically developed [or maintained] by the early inhabitants of Mesopotamia and formed the starting point for all other divisions of time... [Later] The idea of tracing the sun's path among the "stars" [by daylight] was when it occurred to Chaldaean astronomers, as original and, relatively to their means, a recondite one. We owe to its realization by them the constitution and nomenclature of the [modern] twelve signs of the zodiac" 1911 Encyclopaedia Britannica – Zodiac, p. 993, Lenormant, Orgines de l'Histoire, Vol. 1 p. 236.

Assyria and Babylonia.—The twelvefold division of the zodiac was evidently suggested by the occurrence of twelve full moons in successive parts of it in the course of each year. This approximate relation was first systematically developed by the early inhabitants of Mesopotamia, and formed the starting-point for all their divisions of time. As the year separated, as it were of itself, into twelve months, so the day was divided into twelve "double hours," and the great cosmical period of 43,800 years into twelve "sars." Each sar, month and hour was represented at once visibly and symbolically by a twelfth part of the "furrow" drawn by the solar Bull across the heavens. The idea of tracing the sun's path among the stars was, when it occurred to Chaldaean astronomers, an original and, relatively to their means, a recondite one. We owe to its realization by them the constitution and nomenclature of the twelve signs of the zodiac. Assyrian cylinders and inscriptions indicate for

1911 ENCYCLOPAEDIA BRITANNICA – ZODIAC, P. 993, LENORMANT, ORGINES DE L'HISTOIRE, VOL. 1 P. 236.

I discovered it in the week and found this very enlightening! As Lenormant originally discovered and identified in this quote above, it was **12 FULL MOONS** in contrast to the dark or crescent lunar phases in their order, that designated (named) the lunar months of each year.

SO FIRSTLY, FULL MOONS OCCUR BY NIGHT, and therefore consistently **MEASURE** the night sky together with the stars exactly as defined by the **FOUR "WITNESSES" OF SCRIPTURE** as found **IN THE VERSES BELOW**. **WHAT THE GENERAL** populace **NEVER RECOGNIZED BEFORE**, was that the position of the moon **IN THE NIGHT SKY OPPOSITE OF THE SUN**, **IDENTIFIES** the ruling **"NEW MOON" LUNAR PHASE AS THE FULL MOON**.

THIS IS WHAT WE NEED TO KNOW:

1. The moon rules together with the visible stars by night from horizon to horizon.
2. The lunar phase (selene -G#4582 - brilliant moon in Hebrew translation) is then actually the Full moon. (New Moon=New Moon)
3. Bethulah's (Virgo) arising in the **SPRING** (northern hemisphere in Israel) with the full moon near her feet, declares New Year's Day (Autumn in the southern hemisphere). **THE HEAVENLY FATHER'S TIMEPIECE IS NOT DEPENDENT UPON THE BARLEY** harvest, but rather **IT IS RESPONSIBLE FOR IT IN THE BIBLICAL LANDS IN THE NORTHERN HEMISPHERE**.
4. The Heavenly Father's **NEW YEAR AND NEW MONTH** commence with the **FULL NEW MOON** in perfect opposition to the sun, referred to as Lunar-Astro-Line-Time.

"the GREATER LIGHT TO RULE THE DAY, and the LESSER LIGHT TO RULE THE NIGHT. He made the stars also."
Genesis 1:16

"The SUN TO RULE BY DAY, For His mercy endures forever; 9 The MOON AND STARS TO RULE BY NIGHT, For His mercy endures forever."
Psalms 136:8-9

THIS VERSE IS A CRUCIAL KEY OF KNOWLEDGE THAT THE SCRIBES/LAWYERS HID FROM HUMANITY

"Thus says the Heavenly Father, Who gives the SUN FOR A LIGHT BY DAY, The ordinances of the MOON AND THE STARS FOR A LIGHT BY NIGHT..." "IF THOSE ORDINANCES DEPART FROM BEFORE ME, says the Heavenly Father, Then the SEED OF ISRAEL SHALL ALSO CEASE FROM BEING A NATION BEFORE ME FOREVER."

Jeremiah 31:35-36

"12 Now a GREAT SIGN appeared in heaven: a woman clothed with THE SUN, with THE MOON under her feet, and on her head a garland of TWELVE STARS."
Revelation 12:1

SECONDLY, and of equal importance, this quote also validates that the full moons formed the starting points for **ALL** other divisions of time. As a result, this means the full moons determined the time division of **YEARS, MONTHS, WEEKS, SABBATHS**, and **DAYS**, including annual lunar appointed **FEAST DAYS**. This includes the authentic seventh-day **SABBATH**, the sacred worship day of our **HEAVENLY FATHER** that has existed from eternity past.

YOU ASK BUT WHY ARE JEWS FOLLOWING THE SATURDAY WORSHIP SYSTEM?

So, contrary to the modern Rabbinical and Karaite Jews' Saturday, as found on the modern Roman (Rabbi Hillel II) replacement solar calendar of 354AD, the **HEAVENLY FATHER'S KADOSH** (holy, sacred, and set-apart) **SEVENTH-DAY SABBATH HAS** and will always be measured from **FULL MOON TO FULL MOON THROUGH ALL ETERNITY**.

*"And it shall come to pass that from **ONE NEW MOON TO ANOTHER**, and **FROM ONE SABBATH TO ANOTHER**, all flesh shall come to worship before Me," says the Heavenly Father.*
Isaiah 66:23

THIRDLY, note that on page 993 of the 1911 Encyclopaedia Britannica, still quoting from François Lenormant's "Origines de l'Histoire" (History of the Origins), he identifies that years later, the **CHALDAEAN** astronomers from this same region [likely under the leadership of Nimrod and Semiramis], **INVENTED** and **INTRODUCED** the method of **MEASURING TIME** by tracing the sun's path among the starry constellations of the zodiac by daylight. The term utilized to describe this variance from the **ORIGINAL METHOD** of **MEASURING** the **FULL MOON** against the starry constellations by night was a **"RECONDITE"** one. The term **"RECONDITE"** **MEANS CONCEALED, HIDDEN, and SECRET**.

The **FULL MOON** was **ROSH** (head/ first) of all divisions of time, including **THE YEAR, MONTH, WEEK, AND COUNT** of Days from 1-29 or 30, including the annual Feast Days among the faithful early descendants of Noah who worshipped the one **TRUE GOD YHUH**, our **CREATOR**, by name.

Then later, the **CHALDAEAN ASTRONOMERS** from the same region, likely under the leadership of Nimrod (third generation from Noah) during the time of building the Tower of Babel, **WERE THE - ORIGINATORS OF THE COUNTERFEIT AND REPLACEMENT TIME-MEASURING SYSTEM THAT IS SO POPULAR TO THIS DAY**.

They single-handedly changed our **HEAVENLY FATHER'S TIME-CENTRIC LAWS** by inventing a **NEW METHOD OF MEASURING TIME** that was entirely contrary to the original.

THE TOWER OF BABEL IS THE ULTIMATE SIGN OF REBELLION AGAINST GOD YHUH! They desired to make a name for themselves! They chose to implement a luni-solar method of measuring the stars with the sun by day when the stars are invisible and hidden. By extension, although not overtly stated of cause, this means that the **DARK MOON**, in conjunction with the sun, was introduced and utilized to mark the start of years and months from that moment onward.

THIS IS WHERE WE WENT OUT OF SYNCH WITH OUR FATHER'S HEAVENLY CLOCK

This was the inception and beginning of the new "secret or hidden" **LUNI-SOLAR SYSTEM**, which was implemented and **COMMENCED EACH YEAR AND MONTH**, a full 180 degrees opposite to that of our Creator's preordained time-measuring model. Could this be the primary reason for the destruction of the Tower of Babel, the confusion of the languages, and the scattering of the people unto all regions of the earth? This view leads the Seventh-Day Adventist Church to entirely ignore Revelation 12:11, that **"WE WILL OVERCOME HIM (SATAN AND THE MARK OF THE BEAST) BY THE BLOOD OF THE LAMB AND BY THE WORD OF OUR TESTIMONY..."** which is a testament to celebrating **PASSOVER** and the other lunar appointed Feast Days.

DEAR READERS, SO, BY DEFAULT, THIS FRAUDULENT BELIEF SYSTEM, HAVING NO BIBLICAL SUPPORT, HAS FUNNELLED US VERY NAIVE BELIEVERS DIRECTLY INTO SATAN'S CAMP, RECEIVING THE MARK OF THE BEAST BY WAY OF THE ROMAN CALENDAR AND ITS CONTINUOUS WEEKLY CYCLE OF WHICH SATURDAY AND SUNDAY ARE BOTH NOT ACCEPTABLE WORSHIP DAYS.

BUT IT IS NOT TOO LATE! FOR ALL THOSE WHO SEEK AN ETERNAL HOME IN THE KINGDOM, THE CALL IS GIVEN TO RETURN TO "THE COMMANDMENTS WE LEARNED FROM THE BEGINNING TO WALK IN" (2 JOHN 1:6), WHICH INCLUDE THE TORAH LAW (NOT ALL), SACRED NAMES, THE STATUTES, JUDGMENTS, TESTIMONIES, FULL MOON TO FULL MOON LUNAR TIMEKEEPING, SACRED FULL NEW MOON DAYS, LUNAR SEVENTH-DAY SABBATHS, AND LUNAR APPOINTED FEAST DAYS. THE TIME TO SEPARATE YOURSELF FROM BABYLON AND ITS WAYS IS NEAR.

SABBATH SHALOM!

THE MOON AND TIDES (PART 2)

"v19; THE MOON (H3394) performs (H6213) HIS APPOINTMENTS for (H4150) His setting (H3996) [the] sun (H8121) He knoweth (H3045)

Psalms 104:19

HAVE YOU EVER WONDERED WHAT ARE ALL THE APPOINTMENTS THAT THE MOON PERFORMS AS DAVID PRAISES THE HEAVENLY FATHER FOR HIS CREATION AND GREAT MARVELS?

Below we read the ordinances of the moon with the stars for light at night regulate the waves of the sea i.e. the tides - this is what is being expressed by David in Psalms 104:19. David is most probably also talking about the **TIDES** of the Earth and how the Moon and Sun affect those tides called "**SPRING**" and "**NEAP**" tides.

The Prophet Jeremiah also spoke of the "ordinances of the moon" in Jeremiah 31:35:

*"v35 Thus saith the Heavenly Father, which giveth the sun for a light by day, [and] the ordinances of the moon and of the stars for a light by night, which **DIVIDETH THE SEA** when the waves thereof roar; The Heavenly Father of hosts [is] His name".*

Jeremiah 31:35

The semi-diurnal range (the difference in height between high and low waters over about half a day) varies in a two-week cycle. Approximately twice a month, around the **CRESCENT MOON** and **FULL MOON** when the Sun, Moon, and Earth form a line (a configuration known as a syzygy), the tidal forces are due to gravitational forces of a secondary body such as the Earth or Moon.

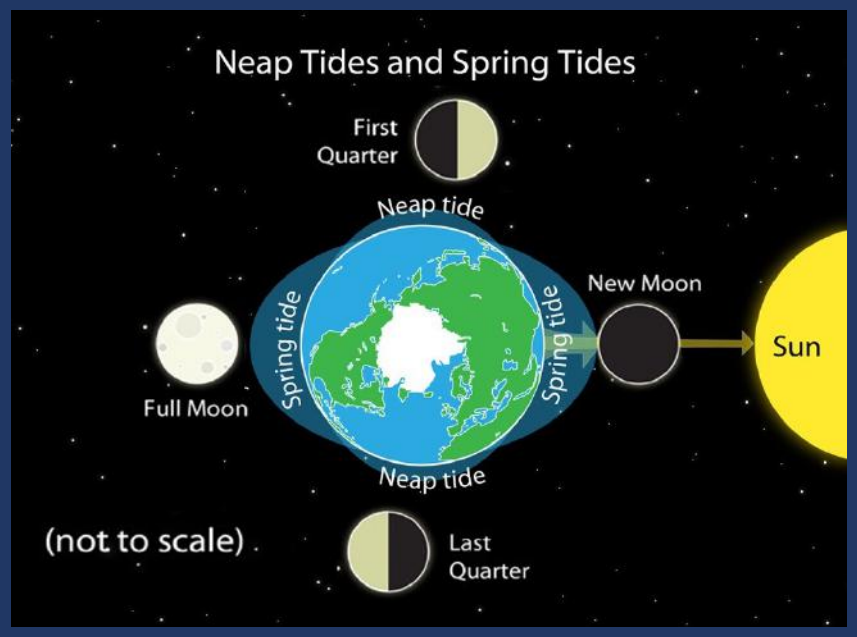

The tide's range is then at its maximum; this is called the **SPRING TIDE**. It is not named after the season, but, like that word, derives from the meaning "jump, burst forth, rise", as in a natural spring.

When the Moon is in the first quarter or third quarter, the Sun and Moon are separated by 90° when viewed from the Earth, and the solar, tidal force partially cancels the Moon's.

At these points in the lunar cycle, the tide's range is at its minimum, called the **NEAP TIDE, OR NEAPS**.

- **NEAP (TIDES)** is an Anglo-Saxon word meaning "without the power," as in fordganges nip (forth going without the power).
- **SPRING TIDES** result in high waters that are higher than average, low waters that are lower than average, 'slack water' time that is shorter than average, and stronger tidal currents than average. Conversely, neaps result in less extreme tidal conditions.

NOTE: THERE IS ABOUT A SEVEN-DAY INTERVAL BETWEEN SPRING AND NEAP TIDES JUST AS A 7 DAY SABBATH INTERVAL!

DO GOOD BY GIVING BACK

Let's all store up a good foundation to obtain eternal life...

TO DO GOOD, IS A COMMAND FROM OUR HEAVENLY FATHER. IT IS A BIBLICAL ASSIGNMENT FOR GOOD REASON!

*"COMMAND THOSE WHO ARE RICH IN THIS PRESENT AGE not to be haughty, nor to trust in uncertain riches but in the living Heavenly Father, who gives us richly all things to enjoy. Let them **DO GOOD**, that they be rich in **GOOD WORKS**, ready to give, willing to share, storing up for themselves **A GOOD FOUNDATION** for the time to come, that they may lay hold **ON ETERNAL LIFE**."*

1 Timothy 6:17-19

SO, IF YOU WANT TO FEEL GOOD, DO GOOD 😊!

HERE ARE SOME IDEAS:

1. **Turn waste into ART** – reuse/recycle off-cuts of material, plastic etc..
2. **Cut down on FOOD WASTE** – plan your meals to avoid waste
3. **SAVE energy** – unplug electronics when not using them, turn lights off when you leave a room
4. **CONSERVE water** – fix dripping taps, take shorter showers
5. **SHAPE your knowledge about** – raising, reducing and recycling

FULL MOON FASTING

Throughout history, humans have paid attention to lunar cycles, as the **FULL MOON** lunar calendar was the first recorded calendar to be developed in human history according to the **BIBLE**. Ancient people followed the cyclical rhythm of the waxing and waning of the Moon and connected those changes to the seasons, which ultimately determined their worship and their lifestyles. Science confirms that the Moon affects the Earth's oceans and rivers with its gravitational pull. It is less known that the Moon also affects the water contained in the human body because the human body is made of about 70% water.

“FASTING ON THE DAYS ON WHICH THE INFLUENCE OF THE MOON CHANGES HAS AN ESPECIALLY PURIFYING PHYSICAL AND MENTAL EFFECT DUE TO THE INTENSIFIED FLOW OF ENERGY.”

Full Moon fasting consists of a 24-hour fasting day in which you consume **ONLY WATER** and/or fresh juices. During the fasting day, your body is cleansed of toxins, and you can lose up to 3kg of water weight in one day.

HOW TO USE THE MOON FOR PHYSICAL REJUVENATION?

IGNITE YOUR AUTOPHAGY! Autophagy is the body's internal recycling programme - scrap cell components are captured, and the useful parts are stripped out to generate energy or build new cells.

The process is crucial for preventing cancerous growths, and warding off infection and, by maintaining a healthy metabolism, it helps protect against conditions like diabetes.

Read more about how Dr Yoshinori Ohsumi's discovered and elucidated mechanisms underlying autophagy, a fundamental process for degrading and recycling cellular components. For his discoveries, he was awarded the **NOBEL PRIZE** in Physiology and Medicine. Autophagy can eliminate invading intracellular bacteria and viruses. Autophagy contributes to embryo development and cell differentiation. Cells also use autophagy to eliminate damaged proteins and organelles, a quality control mechanism that is critical for counteracting the negative consequences of ageing.

Autophagy plays an essential role in the **PREVENTION** of **AGING** and **EXTENDING LIFE SPAN**. As we age, autophagy decreases, which can lead to a build-up of cellular junk parts and, in turn, cells that aren't functioning at their best.

HOW LONG DO YOU HAVE TO FAST FOR AUTOPHAGY TO OCCUR? SCIENCE PROVES THAT AUTOPHAGY MAY BEGIN BETWEEN 24 TO 48 HOURS OF FASTING. THEREFORE, FULL MOON FASTING IS A GREAT METHOD FOR STIMULATION OF AUTOPHAGY.

If you seek a spiritual connection with our Heavenly Father, on this day of fasting, do the following practice. In the morning light a candle, do your morning meditation/or praying, and afterwards a breathing and stretching practice, and then begin your day's work if you cannot take the day to **DO GOOD** and to uplift your soul.

BE AWARE DURING THE WHOLE FASTING DAY THAT YOU ARE FASTING FOR YOUR PHYSICAL, MENTAL AND SPIRITUAL DEVELOPMENT, AND KEEP THE PROMISE TO YOURSELF NOT TO EAT UNTIL TOMORROW. YOU MIGHT REALIZE THE BOOST IN YOUR SELF-CONFIDENCE WHEN YOU KEEP YOUR RESOLUTION NOT TO EAT. FASTING ALSO DEVELOPS WILLPOWER AND FAITH. WE STRENGTHEN OUR INNER WILLPOWER BY FASTING AND THROUGH THIS, CAN BETTER MANAGE OUR LIFE IN THIS EVER-CHANGING STRESSFUL WORLD AS WE COME INTO SYNC WITH OUR HEAVENLY FATHER'S HEAVENLY PLANETARY BODIES. BY REPETITION OF POSITIVE BIBLE VERSES AND FASTING, WE PURIFY OUR INNER FUNCTIONS - OUR MIND, BODY AND SOUL.

WHY NOT PLAN YOUR NEXT VERY SPECIAL LUNAR ECLIPSE IN MARCH?

The **FULL MOON** will pass into Earth's shadow and appear to turn red on the night of **MARCH 13** or early in the morning on **MARCH 14**, according to the Gregorian Calendar, (1 Adar - Kingdom Calendar) depending on the time zone. The same phenomenon that makes our sky blue and our sunsets red causes the Moon to turn reddish-orange during a lunar eclipse. Sunlight appears white, but it actually contains a rainbow of components — and different colours of light have different physical properties.

Look to the eastern sky on the night of the eclipse for a glimpse of planets Jupiter and Mars. The Full Moon will be in the constellation Leo, under the lion's hind paw, at the beginning of the eclipse; soon afterwards, it will cross into the constellation Virgo. As Earth's shadow dims the Moon's glow, constellations will be easier to spot than usual.

“There will be signs in the sun, moon and stars.”
Luke 21:25 NIV

DO YOU KNOW?

Nearly
97%
of the world's water
is salty or otherwise
undrinkable

- **Another 2%** is locked in ice caps and glaciers
- This leaves **just 1%** of all of **humanity's needs**
- A person can live about **a month without food**, but **only about a week without water**
- The average total home water usage in **SA is 237 litres per day**
- **The earth's seas** take up **70%** of the **earth's surface**

UPCOMING SUPER MOON

March 29, 2025 (16 Adar - Kingdom Calendar)

WARNING

Unlike a Full Moon and New Moon, this phase is when an alignment of the Sun, Moon, and the Earth called perigee-syzygy occurs when the Moon is at its closest to Earth (perigee). Animals tend to be ultra-sensitive during this time of a very big full moon. Like humans, the power of the electromagnetic fields during a Full Moon phase interacts with our own magnetic field increasing the ability to sense or feel the stress around us.

Vets report 26% more cat cases and 28% more dog cases. The animals tend to notice the interaction quicker as it is part of their survival instincts to stay away from danger or snuggle with a caregiver. Allow them therefore to do so and keep them calm and indoors.

DEWORMING REMINDER

DEWORMING REGULARLY:

PARASITE CLEANSE

WITH A FULL MOON, IT IS THE BEST TIME TO DO THE PARASITE CLEANSE 🌕

PARASITE CLEANSE RECIPE

Ingredients:

- 1 cinnamon stick
- 2 cloves
- 1 tablespoon of fresh grated ginger
- 1/2 tablespoon of oregano

Instructions:

1. **Boil Water:** Bring 4 cups of water to a boil in a saucepan.
2. **Add Ingredients:** Add the cinnamon stick, cloves, grated ginger, and oregano to the boiling water.
3. **Simmer:** Reduce the heat and let the mixture simmer for about 10-15 minutes.
4. **Strain:** Strain the tea into a cup or teapot.
5. **Serve:** Enjoy your parasite-cleansing tea hot.

*"It shall be established forever
like the moon,
And the witness in the heavens
is ever faithful."
Selah.*

Psalm 89:37 AMP
